Section 5 Survivor Benefit Election for Pension and Fixed and Variable Funds

If you elect a survivor option that provides for your beneficiary to receive a continuing monthly benefit and you die before your payments begin, your beneficiary's benefit will begin when you would have reached age 55, or immediately if you are over age 55 at your death. If no continuing monthly benefit is elected, your beneficiary will only receive a refund of your balance in the Fixed and Variable Funds, if any.

You may name a new beneficiary and select a new survivor benefit at any time before your deferred benefit payments begin, subject to the spousal consent rules noted below and in Section 6A. If a new beneficiary or survivor benefit is elected, the amount of the monthly benefit will be recalculated. If your beneficiary dies or if you have a change in marital status and you do not designate a new beneficiary or select a new survivor benefit, no benefit is paid if you die before monthly payments begin. Only a refund of your balance in the Fixed and Variable Funds would be paid to the most recently designated beneficiary, or, if no beneficiary is designated, to your estate.

Level Income Plan

To be eligible for the optional LIP at retirement, a member must be eligible for a future Social Security benefit and be younger than age 62. For more information or to elect the LIP, contact TVARS.

FOR FUTURE REFERENCE

Updates to Address/Direct Deposit/Tax Withholding/Name

Before payments begin: Changes to your name and address should be reported to TVARS in writing to ensure you receive all information regarding your retirement benefit.

After payments begin: Changes to your name, address, direct deposit, or tax withholding are handled by BNY Mellon.

Second Survivor

If you marry or remarry after retirement, you may elect to provide a continuing monthly survivor benefit to your new spouse within 90 days of the marriage. Election of this option will result in an additional actuarial reduction and will not be effective until the month following the one-year anniversary of the marriage. To elect a second survivor benefit, you must submit form RS-210B to TVARS.

Other Federal Service

TVARS Rules and Regulations and the Office of Personnel Management directives and guidelines specifically prohibit receiving a benefit from both TVARS and the Civil Service Retirement System (CSRS) or Federal Employees Retirement System (FERS) at the same time based on the same period of service. If at any time you begin receiving payments from CSRS or FERS that include credit for your TVARS service, TVARS payments will cease effective on the date your CSRS or FERS payments begin and you will be obligated to repay TVARS for any overpayment that may occur.

Note: Should there be any conflict between the information in this document and the provisions of the various plans, the plan provisions and not this document shall be controlling.
